On the representation of the medical officer in charge of the Victoria Hospital submitted through the Offg Senior Surgeon, to the effect that difficulty is felt ~~by him~~ in securing women below the age of 25 years for the post of nurses, Govt in their order no 10913-7 dated 26 3-06 sanctioned the proposal to raise the age limit to 40 years in the case of nurses entering Govt Service

In this connection it is submitted that the difficulty of securing the services of men below 25 years of age for the post of music masters in Girls Schools, is equally great as may be judged from the fact that ~~applications~~ proposals to entertain men above 25 years of age ~~proposed~~ ~~to be appointed~~ as music masters in Girls Schools have often been made by the Inspr Genl of Education and sanction of Govt accorded ~~thereto~~ to the proposals Besides, the post of music teacher in a Girls School being rather one of delicacy as observed by the 1st Councillor in connection with the appointment of a music teacher for the Maharanis College

The D.G's proposals may be sanctioned. As a matter of fact there have been several cases in which it has been necessary to exceed the age limit. In some of these the rule was overlooked & belated applications for formal sanction of Govt have come up. A general sanction like the one now asked for will save much correspondence
